

2000 K-12 Education Legislation

End of Session Final Report

Assembly Education Committee

Virginia Strom-Martin, Chair

AB 6 (Calderon) - California Teacher Academy Program

Establishes the California Teacher Academy Program to encourage more high school students to enter the teaching profession.

Status: Failed passage in Assembly.

AB 25 (Mazzoni) - Pupil Age of Admission

Creates the Kindergarten Readiness Pilot Program, a voluntary pilot project, to test the effectiveness of changing the kindergarten age of entry. Beginning with the 2001-02 school year, participating school districts will require a child to be 5 years old before September 1 in order to attend kindergarten. This bill provides funding to school districts to compensate them for the temporary loss of attendance caused by changing kindergarten enrollment dates, and requires school districts to provide pre-kindergarten instruction as a condition of the receipt of that funding.

Status: Chapter 1022/2000.

AB 29 (Robert Pacheco) - Student suspension and expulsion

Requires a school district into which a student transfers to request that the school district of prior enrollment provide any records regarding acts committed by the student that resulted in suspension or expulsion. Requires the school district into which the student transfers to inform any teacher of the student that the student was suspended or expelled and the act which resulted in that action. adds sexual harassment, hate violence, terroristic threats, and certain acts of harassment, threats, or intimidation to other acts resulting in suspension or expulsion for which a school district is required to provide information to teachers.

Status: Chapter 345/2000.

AB 36 (Shelley) - San Francisco Unified School District

An urgency bill that requires the San Francisco Unified School District to conduct an internal review of fiscal management practices.

Status: Chapter 457/2000.

AB 42 (Zettel) - Student Truancy

Eases access to student records by judges and probation officers under specified conditions, and adds a representative of the health care profession to county, local, and state school attendance review boards.

Status: Chapter 222/2000.

AB 90 (Runner and Strom-Martin) - School Funding

Provides for the increase in K-12 school funding to the national average.

Status: Failed passage in Assembly.

AB 101 (Steinberg) - Joint Powers Agreements: Charter Schools

Provides that a charter school may be considered a public agency for the purpose of being eligible for membership in a joint powers agreement for risk-pooling, and declares its provisions declaratory of existing law.

Status: Chapter 14/2000.

Status: Failed passage in Assembly.

AB 148 (Thomson) - Maintenance

Changes the name of the State School Deferred Maintenance Fund to the School Major Maintenance Match Fund. Requires any school applying for funding to review annually its major maintenance plan and certify that it is in compliance with the plan.

Status: Failed passage in Senate.

AB 172 (Firebaugh) - Public Postsecondary Education: International Study

Establishes the International Higher Education Scholarship Act with two separate programs:

- The International Higher Education Scholarship Program, to be administered by the California State University (CSU); and
- The Community College (CCC) International Student Exchange Program.

Status: Vetoed.

AB 272 (Kuehl) - High School Graduation Requirements

Adds the completion of one additional course to the high school graduation requirements beginning with the graduation class of 2004 - 2005. Requires students to complete one course of foreign language and one course of visual or performing arts, in addition to the other required courses necessary for graduation.

Status: Failed passage in Senate.

AB 275 (Corbett) - Portable Classrooms

Authorizes the use of revenues from the lease of portable classrooms program for deferred maintenance and the purchase of additional portable classrooms.

Status: Failed passage in Assembly.

AB 277 (Washington) - Compton Unified School District

Repeals statutory provisions that authorize an administrator who is appointed by the Superintendent of Public Instruction (SPI) to assume all the legal rights, duties, and powers of the Personnel Commission of the CUSD. Also requires, notwithstanding any provision of law, the SPI to restore all legal rights, powers, and duties to the Personnel Commission of the CUSD.

Status: Failed passage in Assembly.

AB 286 (McClintock) - Teacher Selection and Compensation

Authorizes the parent or guardian of any pupil enrolled or eligible for enrollment in grades K-6 to request that the pupil receive instruction from one or more teachers. This bill would also require teachers to determine the maximum number of pupils in their classrooms and provide that their salary be based on an amount of \$2,370 for every pupil taught for a full day or a proportionate percentage for less than a full day.

Status: Failed passage in Assembly.

AB 309 (Mazzoni) - Alternative Certification Funding

Creates an alternative certification program in administrative services, whereby any school district, county office of education, or regionally-accredited public or private college or university, acting alone or in a consortium could sponsor a program by submitting a plan for approval to the Commission on Teacher Credentialing.

Status: Vetoed.

AB 318 (Lempert) - Paraprofessional Training

Establishes the California Paraprofessional Incentive (CPI) Program to assist school districts to employ and train paraprofessionals in grades K-6. The bill requires the Superintendent of Public Instruction to provide \$5,000 grants per participating paraprofessional employee to school districts serving the elementary grades. The grants can be used for compensation for paraprofessionals, staff development, program expenses, and data collection and reporting.

Status: Failed passage in Senate

AB 424 (Wildman) - Design Build Contracts

Authorizes school districts to enter into design-build contracts for school construction projects that exceed \$10 million in cost, and establishes a process, which must be followed.

Status: Vetoed.

AB 454 (Havice) - Continuation School Finance

Develops a formula for equalizing funding for continuation schools in 2000-01, contingent upon funding in the state budget.

Status: Failed passage in Assembly.

AB 568 (Reyes) - After School Programs

Creates the After School Pilot Program for High School Pupils to be implemented in three school districts that have an average daily attendance of at least 20,000 units and are located in an area with an unemployment rate of at least 14%.

Status: Failed passage in Senate.

AB 609 (Wildman) - Special Education: Use of Braille

Requires districts to provide Braille instruction to functionally blind students, unless the Individual Education Plan team determines that Braille instruction is not appropriate for the student, and adds requirements for materials on publishers of instructional materials.

Status: Vetoed.

Status: Failed passage in Assembly

AB 657 (Strickland) - Teacher Salary Incentives

Establishes the Classroom Teacher Excellence Recognition Pilot Program to evaluate the efficacy of providing annual salary incentives for certificated bargaining unit members who demonstrate high self-improvement and continuous high performance.

Status: Failed passage in Assembly.

AB 696 (Washington) - Charter Schools

Allows a charter school that has a charter issued by the Los Angeles County Board of Education prior to June 1, 1997 to continue to operate, at a higher than average funding rate, until June 30, 2003.

Status: Chapter 19/2000

AB 697 (Vincent) - School Accountability

Provides that any evidence obtained as a result of eavesdropping upon or recording a communication in a classroom that is in violation of current law may not be used in any judicial, administrative, or legislative proceeding, as specified.

Status: Vetoed.

AB 701 (Lempert) - Architects

Specifies that the current law regarding contracts between architects and school districts shall not be construed as transferring the architect's copyright to the district.

Status: Chapter 348/2000.

AB 707 (House) - School Psychologists

Establishes a two-year services credential with a specialization in pupil personnel services for the prelingually deaf, which candidates would be exempt from the requirement of passage of the basic skills proficiency test. This bill also authorizes a community college district that participates in a merit system for classified employees to exempt designated senior classified administrative positions from the employment requirements of current law.

Status: Chapter 951/2000.

AB 723 (Campbell) - Teacher Probationary Period

For employees that begin their probationary period during the 1999-2000 fiscal year or any fiscal year thereafter, permits the governing board of the school district the option of granting tenure rights to an employee of a school district who, after having been employed by the school district in a position requiring certification qualifications for 3 complete consecutive school years, rather than 2 complete consecutive school years, is reelected for a succeeding school year. The bill precludes exercising this option on a case-by-case method, and would, instead, require the option, if exercised, to apply uniformly to all certificated employees of the school district and be made by resolution adopted by the governing board of the school district or by collective bargaining agreement.

Status: Failed passage in Assembly

AB 727 (Mazzoni) - Staff Development

Establishes the Staff Development Act of 1999 to provide grants to local education agencies to pay up to \$2,500 per teacher as reimbursement for fees and materials for credentialed teachers to take college and university courses to increase knowledge of subjects for which the state board has approved content standards.

Status: Failed passage in Senate

AB 752 (Davis) - Teacher Credentialing: Concentration in Theatre and Dance

Requires the Commission on Teacher Credentialing to provide for an optional concentration in dance or theatre within two or more of the existing single subject credential areas, and authorizes persons with credentials in English or physical education before January 1, 2005 to teach theatre or dance.

Status: Vetoed.

AB 770 (Honda) - Middle Grades Certification

Establishes the Middle School Core Subject Teacher Support Program to provide training, support, and evaluation of middle-school teachers. The program would consist of 45 hours of specialized staff development that emphasizes training that provides public school teachers with the skills and strategies to facilitate pupils' successful academic performance while transitioning through early adolescence.

Status: Failed passage in Assembly.

AB 800 (Washington) - Reporting of Injurious Objects

Requires the Superintendent of Public Instruction to adopt a system that will shield the identity and provide protection to students who report the presence of injurious objects on school campuses.

Status: Chapter 265/2000.

AB 801 (Cardenas) - School Facilities

Adjusts the school facility funding formula by requiring the State Allocation Board (SAB) to reduce the pupil capacity of any applicant school district by the total pupil capacity of any single story school building that the applicant plans to demolish in order to provide a multistory replacement building.

Status: Chapter 458/2000.

AB 842 (Migden) - Charter Schools

Requires that all certificated and classified employees at a charter school be members of the collective bargaining unit of the school district where the charter is located. (See also AB 631)

Status: Failed passage in Assembly.

AB 856 (Havice) - School Crossing Guards

establishes a grant program in the Department of Transportation under which school districts, cities, and counties would be eligible to apply for grants to pay for school crossing guard services and training.

Status: Failed passage in Assembly.

AB 877 (Scott) - Teacher Credentialing - Out of State Teachers

Requires the Commission on Teacher Credentialing (CTC) to do the following: 1) To contract for reviews of certain standards of other states to allow out-of-state prepared teachers to meet California requirements for teaching credentials based upon out-of-state teacher preparation determined by the CTC to be equivalent to the preparation required in this state. 2) Requires the initial review to commence in 2001 and supplemental reviews to be conducted every three years after the completion of the initial review. 3) Appropriates an unspecified amount to the CTC for the purpose of contracting for the periodic reviews. 4) Eliminates,

establishes, and revises requirements relating to teaching and administrative or professional services credentials for out-of-state applicants.

Status: Chapter 703/2000

AB 886 (Zettel) - Reading Training Programs

As passed by the Assembly, this bill established the Secondary School Intensive Reading Program, which provides intensive reading instruction for grades

8-11. It was amended in the Senate to appropriate \$600,000 from the General Fund (Proposition 98) for reading programs in the Oakland Unified School District (\$500,000) and the Lakeside Elementary School District (\$100,000). The Governor signed the bill, but reduced the appropriation.

Status: Chapter 744/2000.

AB 897 (Alquist) - Pupil Assistance for School Success Program

Establishes the Pupil Assistance for School Success program which requires participating districts to provide assistance to students at risk of failing the high school exit exam, or pupils identified by teachers or parents as failing to meet the state model standards. Authorizes school districts to request waivers of education codes related to the requirements and funding restrictions of remedial and after school programs if necessary to implement the PASS program. Further authorizes districts to use funds from Remedial Supplemental Instruction for grades 2-9, the Core Academic Summer School, and the Remedial Summer School for grades 7-12 to fund the PASS program.

Status: Failed passage in Senate.

AB 898 (Alquist) - Education Technology Grants

Establishes the Grant Program for Technology Training and Dissemination Centers for the purpose of providing services predominately to disadvantaged pupils as measured by family income and English language proficiency.

Status: Failed passage in Assembly.

AB 899 (Alquist) - Math and Science Teaching in the Middle Grades

Requires the State Department of Education (SDE) to exclude "self-contained classroom teachers" and "multiple subject credentialed teachers" from the teaching shortage area list it furnishes to the Student Aid Commission (SAC), which is used to determine student eligibility for the Assumption Program of Loans for Education (APLE).

Status: Chapter 371/2000

AB 908 (Alquist) - Gender Equity Training

Establishes a gender equity-training program for teachers and requires the CTC to survey teacher-training programs and adopt or revise standards relating to the inclusion of gender equity training in teacher credentials.

Status: Chapter 459/2000.

AB 911 (Mazzoni) - Education Technology Technical Support

Establishes the Education Technology Leadership Program to be administered by the State Department of Education (SDE) for the purpose of finding and supporting innovative and effective ways to deploy and support education technology resources in local education agencies. The bill would provide grants of up to \$200,000 to schools and school districts to develop model education technology programs, and require the SDE to recommend to the State Board standards on the installation, use and support of education technology resources.

Status: Failed passage in Assembly.

AB 922 (Davis) - Eighth Grade Class Size Reduction

Enacts the Eighth Grade Class Size Reduction for Mathematics Program, contingent upon funding in next year's Budget Act.

Status: Failed passage in Senate.

AB 946 (Washington) - Food Programs for Wards or Dependents of the Court

Requires an allocation for school breakfast and lunch programs to be made for a ward or dependent of the court who resides on the premises of certain residential facilities.

Status: Chapter 20/2000.

AB 949 (Wiggins) - Speech Pathologists

Requires the Speech-Language Pathology and Audiology Board (SPAB) to deem that experience and educational requirements have been met for licensure as a speech-language pathologist if the person holds a valid credential in this field from the Commission on Teacher Credentialing (CTC), deems minimum requirements for a credential have been met if the person holds a speech-language pathologists license, and defines "teacher" to include holders of services credentials for purposes of eligibility for specified programs.

Status: Failed passage in Assembly.

AB 961 (Steinberg) - Pupil Suspensions and Expulsions

As passed by the Assembly, this bill established the Challenged-School Teacher Attraction and Retention Program (C-STAR). Provides funding to schools with the highest percent of students from low-income families and other predictors of low student performance, such as the lack of fully qualified teachers or high rates of pupil mobility. Allows selected schools maximum flexibility in expenditures of categorical funds, if the selected schools submit an application which describes how the funding will be used to attract and retain high quality teachers and, therefore, improve student achievement. It was amended in the Senate to provide that data on pupil suspensions and expulsions will not be collected unless the methodology has been approved by the State Board of Education.

Status: Failed passage in Assembly.

AB 1029 (Campbell) - Class Size Reduction

Increases funding for the ninth grade class size reduction programs from \$135 per pupil to \$165 per pupil, beginning in the 2001-02 fiscal year. This bill also clarifies, for the K-3 Class Size Reduction (CSR) program, that the required class size of 20 pupils means an annualized average of 20 pupils for all classes per grade level, and no more than 22 pupils in any single classroom.

Status: Failed passage in Assembly.

AB 1031 (Shelley) - Pupil Peer Programs

Establishes youth-to-youth peer grant program administered through the State Department of Education. Implementation is contingent upon appropriation of funds for this purpose.

Status: Failed passage in Senate.

AB 1056 (Steinberg) - Prekindergarten School-Based, School Readiness

Programs

Authorizes the Superintendent of Public Instruction to allocate funds, subject to an appropriation in the annual budget, to school districts to enhance school-based readiness programs for pre-Kindergarten children.

Status: Failed passage in Assembly.

AB 1087 (Calderon) - Minimum Teacher Salary

Revises the Jack O'Connell Beginning Teacher Salary Incentive Program (JOBTSIP) by specifying how incentive funding may continue to be received by school districts and county offices of education (COEs) in future years by including the incentive in district revenue limit funding.

Status: Chapter 405/2000.

AB 1294 (Firebaugh) - Teacher Training

Requires the Superintendent of Public Instruction, the California Commission on Teacher Credentialing, and directors of teacher education in universities and community colleges to jointly produce an annual report to improve the planning and coordination of teacher recruitment, education, and retention programs on each level of teacher training. This bill also states the intent of the Legislature to enact legislation to provide that emergency teaching permits are nonrenewable and to limit the validity of the permits to a maximum of 5 years.

Status: Failed passage in Assembly.

AB 1296 (Firebaugh) - Hard-to-Staff Schools

Establishes the hard to staff school program and would define a hard to staff school as one in which 25% of the staff are any combination of first and second year teachers, teachers who are serving with an emergency permit or pre-intern certificate, participants in an alternative certification program, or teachers who are teaching outside of the authorization designated on their credential. This bill would also make a teacher holding an emergency permit and a pre-intern participating in the California Pre-Internship Teaching Program eligible to participate in the California Beginning Teacher Support and Assessment System.

Status: Failed passage in Assembly.

AB 1324 (Zettel) - Credentialed Employees

permits a teacher who does not hold a specialist credential to teach students with mild to moderate disabilities to continue to teach such students if the teacher holds one of several other credentials and has at least 10 years experience teaching in a special day class.

Status: Chapter 109/2000.

AB 1366 (Steinberg) - Sacramento City Schools

Exempts the sale of the property at 520 Capitol Mall, Sacramento, by the Sacramento City Unified School District (SCUSD) from specified sections of current law that govern the sale of land owned by school districts, and instead, comply with public notice and sale requirements specified in this bill.

Status: Chapter 376/2000.

AB 1378 (Dutra) - Small-Sized Schools

Allows the State Allocation Board to develop a demonstration program in as many as four districts to construct small-sized schools that jointly utilize specified centralized non-classroom facilities (schools-within-schools).

Status: Vetoed.

Status: Vetoed.

AB 1516 (Florez) - School Facilities Improvement Districts

Makes a number of changes related to school facilities improvement districts,

including authorizing such districts to issue bonds based on the amount of proposed assessed value, rather than actual value.

Status: Failed passage in Senate.

AB 1602 (Machado) - School Safety

Makes a number of changes to statute relative to school safety plans, interagency safe school model programs, and the School/Law Enforcement Partnership.

Status: Vetoed.

AB 1608 (Strom-Martin) - Class Size Reduction Small Districts

Provides additional flexibility to small schools in participating in the K-3 CSR program by allowing districts with only one school serving grades K-3 to receive CSR funding if there are no more than two classes per participating grade level and the average class size is 20. It also provides that the method of determining average class size in these qualifying small schools will be to calculate the total number of pupils in all classes at all grade levels that participate in CSR and divide by the total number of classes. In addition, this bill requires that before a district may use this alternative for calculating class size in any of its qualifying small schools, it must make a public declaration that it has exhausted all alternatives.

Status: Chapter 743/2000.

AB 1721 (Cardenas) - Student Expulsion

Adds a condition under which a county board of education is authorized to take specified action on expulsion hearing decisions.

Status: Chapter 147/2000.

AB 1735 (Thomson) - Student Services

Requires school districts and county offices of education, in making available to students the application for participation in the free or reduced-price meal program, to include a request form that parents may use to request information regarding the Medi-Cal program and the Healthy Families program.

Status: Vetoed.

AB 1738 (Washington) - School Safety (amended to deal with Compton Community College)

As heard in the Assembly Education Committee, extended the Carl Washington School Safety and Violence Prevention Act to include grades kindergarten to 7.

Status: Failed passage in Senate.

AB 1740 (Ducheny) - The State Budget for 2000-2001

Among other things, significantly increases the state's investment in public education. It raises the K-12 per-pupil funding to approximately \$6,700 per pupil in 2000-01, an increase, on average, of 11% over the 1999-00 Budget (7% over the 1999-00 revised level) and a figure that is probably near the national average per pupil spending.

In total, K-12 education will receive \$30.6 billion from the General Fund, an increase in funding of \$2.9 billion over the January proposed budget. Of this amount, \$27.3 billion is counted towards Proposition 98. In total, the budget is \$1 billion over the Prop 98 minimum funding level for education required by the state Constitution.

Status: Chapter 52/2000.
